

Join the Friends of Westwood Performing Arts

Valid through the 2017-2018 Academic Year to August 31, 2018

Dear Friends,

The Friends of Westwood Performing Arts is an all-volunteer community group dedicated to supporting the performing arts in the Westwood Public Schools. The Friends of Westwood Performing Arts' mission is to support, promote, enrich, and expand theatre and music experiences for our students and for our entire community. Our activities include:

- Raising money for unfunded Performing Arts Department needs and funding requests submitted by Performing Arts staff
- Building audiences through outreach to all the Westwood schools and the town via school publications, the yearly Performing Arts program, social media outlets and local media
- Managing ticket sales and running concession sales at performances (including donated goods for sale)
- Building awareness within the Town of Westwood for Performing Arts classes and productions
- Funding scholarships for graduating seniors in all areas of the Performing Arts

Please join us and become involved as an active friend or a supportive donor.
