

Friends of Westwood Performing Arts

2019-2020 Supporter Form

FWPA is a non-profit, parent-driven organization that is dedicated to supporting the performing arts in the Westwood Public Schools (K-12). The Friends of Westwood Performing Arts' mission is to support, promote, enrich, and expand theatre and music experiences for our students and for our entire community. Thanks to the generosity of our supporters we were able to contribute to many activities in the Westwood schools during the 2018-2019 school year, including:

- Support for the performing arts teacher grant requests (Elementary and WHS equipment)
- Funding a master class for WHS choral students with a Broadway actor
- Publicity of Performing Arts concerts and performances
- Providing scholarships for graduating seniors in all areas of the Performing Arts

Please help us to continue funding such worthy events this year!

YES! I'd like to make a tax-deductible contribution of support!
